PETITIONING THE COURT

☒

To modify the conditions of supervision as follows:

The offender shall be monitored by the form of location monitoring indicated below for a period of 90 days and shall abide by all technology requirements: GPS with home detention.

CAUSE

The defendant was arrested by the Myrtle Beach Police Department, Myrtle Beach, South Carolina on March 12, 2019 and charged with Loitering- Unusual Frequency and Operating Vehicle in Unsafe Mechanical Condition. He paid a bond of \$257 and \$128 respectively. The defendant then reported to the U.S. Probation Office as directed, at which time he submitted a urine sample which tested positive for marijuana and methamphetamine use. This test was confirmed on March 20, 2019, by Alere Toxicology Services Inc. Additionally, on March 23, 2019, the defendant was arrested by the South Carolina Highway Patrol and charged with Driving Under the Influence, First Offense. He was detained at the Darlington County Detention Center until he was released that same day on a \$992 surety bond. Mr. Meek is presently residing with his mother, stepfather and young son at 3208 Pitt Rd., Darlington, SC. This residence is reported by other family members as being unstable, but it appears that this is the only residence available to Mr. Meek at this time. Mr. Meek was out of work for about a month but reports employment as of March 24, 2019, as a cook with SoulJerkin Restaurant in Florence, South Carolina. Mr. Meek is currently enrolled in counseling through Martin Psychiatric Services Inc. According to Dr. Martin, the defendant's progress has been less than favorable. It is believed that the above requested modification would help to provide structure and stability for the defendant as well as a measure of safety for the public. We will continue to monitor the above reported pending charges as well as his participation in mental health treatment and advise the court at the appropriate time.

Respectfully submitted,

By:

William L. Bowman
U.S. Probation Officer
